Two Decades of Mastery in WOODWORKS.

01

WHO WE ARE

Built in Jubail. Trusted Across the Kingdom.

Established in 2004, ARFAD operates in architectural wood works, interior furnishing and wooden furniture manufacturing from Jubail Industrial City.

Specializing in Wooden Doors, Kitchen Cabinets, Wardrobes, Cladding, Ceilings, Wooden Floorings, Timber & WPC Decking, Countertops, Vanities, all types of Joineries and Custom Interior and Exterior Solutions. — ARFAD serves residential, hospitality, government, industrial, and mega-project sectors across the Kingdom.

VISION

To become a regional standard in architectural wood works — recognized for precision, integrity, and consistent project delivery.

MISSION

To design, manufacture, supply, and install high-quality wood works that meet project specifications and deliver long-term value across every sector we serve.

WHY ARFAD

A System Built for Demanding Projects.

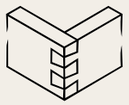

- CONTROLLED MANUFACTURING
- TECHNICAL EXECUTION
- SCALABLE PRODUCTION
- PROJECT READINESS
- UNYIELDING QUALITY CONTROL
- GUARANTEED EXCELLENCE

What We Deliver.

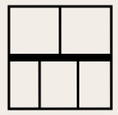

WOODEN DOORS

Fire-Rated, Non-Fire Rated, Solid, Flush, Louver, Swing, Slide, X-Ray Protected, all types of Decorated and customized Wooden Doors.

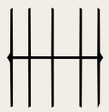

JOINERY

Custom joints · Timber framing · Architectural moldings · Sash

CABINETS & WARDROBES

Kitchen cabinets · Wardrobes
Vanities · Storage

CLADDING & CEILINGS

Wall cladding · Ceilings Thermowwod & WPS Floorings, Roof Canopies and Timber Decking works etc.

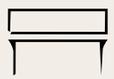

THERMOWOOD

Premium Thermowood solutions for exterior cladding, decking, pergolas, louvers, and architectural features

FURNITURE & INTERIORS

Add Schools, Auditoriums, Villas, Airports, Mosques

COUNTERTOPS & SURFACES

Add Travertine, Quartz, Natural & Artificial Stone Tops

TRADITIONAL WOODWORKS

And all types of customized traditional woodworks

WPC

Premium WPC solutions designed for high-performance outdoor environments, combining durability, low maintenance, a nd modern architectural aesthetics.

Doors Engineered for Specification and Finished to Perfection

ARFAD manufactures wooden doors tailored to the technical, functional, and architectural requirements of residential, hospitality, government, and large-scale development projects.

- Wooden Internal Doors
- Wooden External Doors
- Fire-Rated Doors
- Flush doors
- Solid Core Doors
- Pocket Doors
- Custom components
- Sliding Doors
- Plastic Laminated Doors
- Louver doors
- X-RAY Protected Doors

Complete wooden door solutions, including vision panel doors, decorative finishes, and customized door systems designed to meet architectural, functional, and project-specific requirements.

Wooden Doors Crafted to Withstand the Unthinkable.

Where Natural Warmth Meets Certified Fire Protection.
Precision-Manufactured Fire-Rated Doors.

ARFAD manufactures certified fire-rated wooden doors engineered to contain fire, protect lives, and comply with the most demanding international project requirements, without compromising aesthetics or finishing quality.without sacrificing finish or aesthetic quality.

intertek
Total Quality. Assured.

Intertek Certified Fire-Rated Door Manufacturer

Certified up to 120 Minutes Fire Resistance

Custom Joinery. Built to Spec.

ARFAD delivers bespoke joinery solutions manufactured to meet each project's architectural vision, approved drawings, functional requirements, and site conditions..

- Reception counters
- Feature panels
- Hotel joinery
- Restaurant joinery
- Customized Joinery
- Wall units
- Built-in elements
- Office joinery
- Retail joinery
- Heritage joinery

Cladding & Ceilings

Architectural Wood Surfaces Engineered for Precision and Perfomance

ARFAD delivers architectural wood cladding and ceiling systems tailored to each project's design intent, technical requirements, and approved specifications.

The company’s cladding and ceiling scope includes:

Wall Cladding

- Internal Wooden Wall Cladding
- External Wooden Cladding
- Thermowood Exterior Cladding
- Decorative wooden panels
- Slatted Wood Cladding

Ceilings

- Wooden ceilings
- Decorative Ceiling Panels
- Slatted Wooden Ceilings

Interior Woodworks

Architectural Wood Elements Designed to Complete the Space

ARFAD delivers interior woodwork solutions that bring warmth, functionality, and architectural character to hospitality, residential, commercial, institutional, and public spaces.

The company’s interior wood works scope includes:

- Wooden Partitions
- Decorative Wood Screens
- Wooden Skirting
- Wooden Staircases
- Wooden Handrails
- Wooden Balustrades
- Architectural Wood Features

Custom Furniture

Tailored Furniture for Distinctive Spaces

ARFAD manufactures custom furniture tailored to each project's design concept, dimensions, functional requirements, and selected finishes, with a focus on quality craftsmanship and refined execution.

The scope includes:

- Loose Furniture
- Hotel Furniture
- Restaurant Furniture
- Office Furniture
- Custom Seating
- Tables & Side Tables
- Decorative Wooden Pieces
- Bespoke Furniture

Countertops & surface solutions

Tailored Surface Solutions for Functional and Refined Spaces

ARFAD delivers customized countertop and surface solutions tailored to project requirements, combining functional performance, precise fabrication, and refined finishes across kitchens, vanities, reception areas, and hospitality spaces.

The company’s countertop and surface scope includes:

- Natural Stone Countertops
- Engineered Stone Countertops
- Quartz Countertops
- Kitchen Countertops
- Vanity Tops
- Custom Countertops
- Countertop Fabrication & Finishing

Traditional woodworks

Craftsmanship Rooted in Cultural Detail

ARFAD creates traditional woodworks inspired by Arabic and Islamic craftsmanship, combining authentic heritage details with precision manufacturing and refined finishing.

The company’s traditional woodworks scope includes:

- Hand-Carved Decorative Panels
- Geometric Mashrabiya Screens
- Islamic-Patterned Wooden Doors
- Traditional Wooden Screens
- Decorative Wooden Arches
- Window Surrounds
- Majlis Furniture
- Mosque Woodworks & Furniture
- Customized Heritage Woodworks

THERMOWOOD WORKS

Thermowood Built for Exterior Performance and Natural Warmth

ARFAD delivers specialized Thermowood solutions for architectural applications requiring durability, dimensional stability, and refined natural finishes across demanding exterior and interior environments.

The company’s Thermowood scope includes:

- Thermowood Exterior Cladding
- Thermowood Decking
- Pergolas · Architectural Louvers
- Screens & Privacy Panels
- Canopies
- Outdoor Architectural Features

THERMOWOOD APPLICATIONS

Natural Timber Solutions for Demanding Environments

ARFAD applies Thermowood solutions across demanding architectural environments where durability, dimensional stability, weather resistance, and natural aesthetics are essential.

The company’s Thermowood applications include:

- Hospitality Exteriors
- Resort & Hotel Walkways
- Villa Terraces
- Outdoor Seating Areas
- Poolside Decking
- Façade Applications
- Landscape Structures

Thermowood Works by ARFAD
AMAALA Staff Village – Zone 02

WPC WORKS

Wood-Look Surfaces with Modern Composite Performance

ARFAD delivers specialized WPC solutions for exterior architectural applications, combining the natural appearance of wood with durability, weather resistance, low maintenance, and long-term performance.

The company’s WPC scope includes:

- WPC Decking
- Exterior Wall Cladding
- Façade Applications
- Pergolas
- Fencing & Privacy Screens
- Landscape Features
- Outdoor Seating Areas
- Custom WPC Architectural Elements

Quality management

Quality Built Into Every Stage.

Quality at ARFAD is managed through documented procedures, approved specifications, material control, production checks, and site supervision. Every stage is reviewed to ensure that the final output meets the required technical, functional, and finishing standards.

Quality Framework:

ISO 9001:2015 Certified Quality Management System

- Approved Shop Drawings & Specifications
- Material Certificates & Submittal Review
- Incoming Material Inspection
- In-Process Factory Inspection
- Final Product Inspection
- Site Installation Inspection
- Inspection Records & Quality Documentation

ISO 9001:2015 Quality Management System

ISO 14001:2015 Environmental Management System

ISO 45001:2018 Occupational Health & Safety Management System

Safety & environmental responsibility

Safe Workplaces. Responsible Operations.

ARFAD is committed to maintaining a safe and healthy working environment while minimizing environmental impact through controlled procedures, employee awareness, responsible practices, and compliance with applicable KSA regulations.

EHS Focus Areas:

- Occupational Health & Safety
- Factory & Site Safety Procedures
- Employee & Subcontractor Safety Awareness
- Hazard Identification & Emergency Response
- Responsible Material Usage
- Waste Management & Controlled Disposal

ISO 14001:2015 Environmental Management System

ISO 45001:2018 Occupational Health & Safety Management System

FSC certification & sustainability

Responsible Wood Sourcing. Certified Chain of Custody.

ARFAD is FSC Chain of Custody certified, demonstrating its commitment to responsible wood sourcing and the traceability of certified wood products throughout the supply chain. This certification enables ARFAD to support projects with sustainability and responsible sourcing requirements.

- FSC Chain of Custody Certified
- Certified Wood Product Traceability
- Responsible Wood Sourcing
- Controlled Chain of Custody Procedures
- Support for Sustainability-Focused Projects :

SUSTAINABILITY & FSC® CERTIFICATION

COMMITTED TO RESPONSIBLE FORESTRY

CERTIFICATE

CERTIFICATION CODE: CU-COC-902050

Field of attention:
FSC® Chain of Custody (COC)

Issued to:
ARFAD INTERNATIONAL INDUSTRY Co.
Eastern Province, SAUDI ARABIA
Project in: SAUDI ARABIA

Standard:
FSC-STD-40-004 V3-1 Chain of Custody Certification, FSC-STD-50-001 V2-1 Requirements for use of the FSC trademarks by Certificate Holders;

Valid until: 04 April 2029
The validity of this certificate shall be verified on http://info.fsc.org/

Control Union Certifications declares to have inspected the unit(s), and/or products of the above mentioned certificate holder, and have found them in accordance with the standards mentioned above.

This certificate covers the unit(s), and/or product(s) as mentioned in the authenticated annex of this certificate. A full list of product groups covered by the certificate can be found on the FSC database of registered certificates (http://info.fsc.org/).

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is FSC-certified [or FSC Controlled Wood]. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required FSC claim is clearly stated on invoices and shipping documents.
This certificate remains in force until further notice, provided that the participant continues to meet the conditions as laid down in the client contract with Control Union Certifications B.V. and verified in inspections by Control Union Certifications B.V.

Date of certification:
05 April 2024

RSM

Cybersecurity Compliance Certificate

This is to confirm that

ARFAD International Industry Company

[Commercial Registration No. 2055016211]
Jubail, KSA

Was subject to an assessment by RSM - Saudi Arabia to evaluate its compliance with Saudi Aramco Third Party Cybersecurity Standard (SACS-002). Based on the assessment carried out between **04 October 2021** and **22 January 2022, ARFAD International Industry Company** was found to be compliant with the Standard.

For the classification of: **General Controls**, Type: **CCC**

This certificate is valid for a period of two years from the date of issuance.

Disclaimer:

This certificate is provided based on the information provided by ARFAD International Industry Co. that indicates their cybersecurity posture at the time of the assessment. RSM – Saudi Arabia has not evaluated the adequacy or appropriateness of the Standard compiled by Saudi Aramco. RSM – Saudi Arabia evaluation was limited to assessment against Saudi Aramco Third Party Cybersecurity Standard (SACS-002) and should not be relied upon as an assurance beyond the areas covered by this Standard. RSM – Saudi Arabia shall not be liable for any loss, damages, costs or expenses directly or indirectly incurred by any third party, who may rely upon this certificate for whatsoever reason. This certificate is only for the purpose of meeting the requirements of Saudi Aramco and should not be published on any website or relied upon by anyone other than Saudi Aramco.

Registration Approval Letter

January 08, 2023

Attention : ARFAD INTERNATIONAL INDUSTRIAL COMPANY

CR Number : 2055016211
Supplier Type: Manufacturer + Service Provider
Country : Saudi Arabia

We are pleased to inform you that ARFAD INTERNATIONAL INDUSTRIAL COMPANY is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10064085, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Moamar Khazal Al Usaimi, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:
1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
